NEWS AND VIEWS . . .

## And What Have You

By BOB CRAIG

Johnny Bryant asked us a question the other day that we did not have the answer for and maybe one of our readers can fill us both in on the answer. Why fire crackers at Christmas? As Johnny said we can maybe understand fire crackers on New Year's and Fourth of July—but Christmas?

The best we can tell the tradition of fire crackers at Christmas is something that is pretty well confined to the southern part of the nation, but we have no idea as to how it got started, nor why.

As we get older we find it harder and harder to understand fire works at anytime except maybe the organized displays but suspect that this is normal.

If you have any background information on this subject we hope that you will pass it along.

We like football but believe that an overdose of anything can be harmful and we are beginning to wonder if maybe we have had such an overdose during the past two weeks. We did try to protect ourselves by just picking out certain games to watch but even then we were beginning to see football players in our sleep.

But if we had been forced to watch all the rest just to see the Cowboys win the title from the 49'ers Sunday we would have probably paid the price. It has taken them a long time to make it and they almost had to come in the backdoor, but, they have really put it all together, coming down the home stretch.

We do not know if they can get by Baltimore in the Super Bowl but regardless of the outcome of that game they have proven themselves as being able to win the big one.

As for the other big game this past weekend about all we can say is that it just was not Texas' day. Maybe it would be better if bowl games were played on Dec. 31 instead of Jan. 1 then the losing teams could at least start the New Year off with a clean slate. As it is the Longhorns can not have a very good 1971 until they make it back into the Cotton bowl again.

If you are involved in basketball to the extent that you make it to both the junior high and high school games then you might as well get geared up for a long grind between now and Feb. 22. Most of that time we will have teams playing four nights a week with three games each night and anyway you look at it, that is a lot of basketball.

We extend our best wishes to all of the teams as they start their district races this week and next. We hope that each can have a good season.

Since this column has about turned into a sports column this week we might as well go on and congratulate Larry Butler, Don Drummond and Travis Sursa. Butler has resigned his coaching job here to take a position with Sul Ross State University that will permit him to continue work on his master's degree. Drummond has been promoted from his Junior High position to High School Track Coach and football assistant. And Sursa has been moved up to take Drummond's place in Junior High.

All of Butler's many friends here are going to miss him, us included, but we know that this is a fine opportunity for him and wish him well.

And at the same time we wish Don and Travis the best of luck in their new positions.

Supt. C. F. Cook and Head Coach Deane Wright hope to fill the seventh grade position formerly held by Sursa this week.

PREPARING FOR SHOW SATURDAY--Milburn Wink, right, vocational agriculture teacher, assists Larry Don Jayroe, second year FFA member, as he chooses broilers for the three pens he will enter in the Community Livestock Show Saturday sponsored by the Hamlin Jaycees.

## Pipers to Open District Basketball Race Friday

In order to complete the district race within the time schedule set by UIL, the girls basketball teams in District 7-AA opened conference play Tuesday by playing the last team on their schedule. The Pipers opened here with Haskell.

The girls from Haskell swept both games here Tuesday in the opening round of district play for both teams. The Pipers were defeated, 35-28, with Debbie Hardaway leading the Hamlin scoring with 17 points. The Haskell B Team defeated the local girls, 32-23.

### County Livestock Show Scheduled For Anson, Jan. 16

The Jones County Livestock Show will be held in Anson, on January 16, at the Jones County Fair Grounds. Entry deadline is January 9, for all classes. Entries in this show will be limited to Jones County FFA and 4-H members.

General Superintendent for the show is Don Welch of Lueders-Avoca with W. L. Medford and Weldon Holbrooks of Stamford as assistants. Jerry Terrel, Stamford, is in charge of publicity for this year's show and Charles Stenholm will be Show Secretary.

If you are involved in basketball to the extent that you make it to both the junior high and high school games then you might as well get geared up for a long grind between now and Feb. 22. Most of that time we will have teams playing four nights a week with three games each night and anyway you look at it, that is a lot of basketball.

We extend our best wishes to all of the teams as they start their district races this week and next. We hope that each can have a good season.

Since this column has about turned into a sports column this week we might as well go on and congratulate Larry Butler, Don Drummond and Travis Sursa. Butler has resigned his coaching job here to take a position with Sul Ross State University that will permit him to continue work on his master's degree. Drummond has been promoted from his Junior High position to High School Track Coach and football assistant. And Sursa has been moved up to take Drummond's place in Junior High.

All of Butler's many friends here are going to miss him, us included, but we know that this is a fine opportunity for him and wish him well.

And at the same time we wish Don and Travis the best of luck in their new positions.

Supt. C. F. Cook and Head Coach Deane Wright hope to fill the seventh grade position formerly held by Sursa this week.

with Becky Wright scoring 14 for Hamlin.

The Pipers will open their district race Friday when the Pipers, the Piperettes and the B Team travel to Stamford. Tuesday the three teams will host Rotan here.

The local Freshmen Boys and the B Team Girls are entered in the Merkel B Team Tournament starting tonight (Thursday) with the girls playing Anson at 7:30 and the boys playing Anson at 8:45. The second games will be played Saturday.

The three Junior High teams will open their district race here Monday evening when they host Haskell here with the seventh grade boys starting at 5:30.

The Eighth grade boys and girls teams made it into the championship side of the Anson Junior High Tournament by defeating Albany Monday evening. The boys, led by Johnny Jones with 24 points, defeated Albany, 33-24. It took two overtimes for the girls to win, 27-25, with Kathy Hooper scoring 16 points. Cheryl Lewis scored the winning two points. She had eight for the night.

The girls will play their second game in the tournament Saturday at 11:40 and the boys will play at 12:45.

Over the holidays the Pipers won the Consolation Championship in the Rotan Tournament by defeating

Anson, 46-33, with Shelton Marshall scoring 12 points. The girls won third place by defeating Rotan, 58-34, with Debbie Hardaway hitting 27 points.

Thursday the Pipers defeated Coahoma, 52-37, with Marshall scoring 13 points and the Piperettes were defeated by Coahoma, 43-24, with Hardaway hitting 16 points. The girls B team fell to Coahoma, 27-26.

### Bill Davis Joins Bryant Insurance Agency Here Jan. 4

John C. Bryant of Bryant Insurance Agency has announced the addition of Bill Davis to the staff of the firm.

Davis joined Mr. and Mrs. Bryant and May Gay in the insurance agency Jan. 4.

Davis was formerly employed by West Texas Utilities. He had been with the company since 1947, following his graduation from Stamford High School, with the exception of two years in the U. S. Army from 1952 to 1954. His Army service included 18 months in Germany.

He and his wife, the former Jean Ross of Stamford, have two sons, Lynn and Mike. Mrs. Davis is employed as an aide to the librarian in Hamlin Independent School District.

Teaching assignments are still being worked out following the changes.

Supt. Cook said that he and Head Coach Deane Wright were actively seeking someone to fill the seventh grade position.

## Show Winners to Get Trophies, Prize Money

Six championship trophies and some \$550 in prize money made possible through donations will be given during the annual Community Livestock Show to be held here Saturday under the sponsorship of the Hamlin Jaycees.

Judging will get underway at 9 a.m. Hamlin students participating in Future Farmers of America or 4-H Club work are eligible to enter.

Trophies will be given in six divisions, barrows, gilts, breeding beef females, commercial beef animals, poultry and rabbits.

Swine entries in the barrow division include two Berkshires, two Chester Whites, 14 Durocs, four Hampshires, and 11 crossbred barrows.

Gilts entered are two Chester Whites, 14 Durocs, four Hampshires, 13 crossbred

gilts and seven sows.

In the beef division two beef heifers, five commercial beef and two dairy heifers are entered.

Competition in the poultry

division will be 36 pens

of broilers and three pens of laying hens.

Rabbit entries include 12 does, 10 bucks and one doe and litter.

Milburn Wink is in charge of entries.

## Grand Jury Indicts Trio Arrested Here Dec. 14

Three Coleman residents were indicted by a 104th District Court grand jury Monday for "conspiracy to burglarize" the F and M National Bank here Dec. 14.

Indicted were Mark Layton Lindsey, 30; his wife, Lyndell Beth Lindsey, 27; and Billy Martin Hicks, 20. They were also jointly indicted on two counts of "resisting arrest with a firearm" and

one count of felony theft.

The Lindseys remain in lieu of bonds totaling \$75,000. Hicks has been free on reduced bonds totaling \$4,500.

The two counts of "resisting arrest" involve guns allegedly pointed at Hamlin Patrolmen Homer Dill and James Kerby, who arrested the trio in the alley on the west side of the 200 block of South Central.

The theft counts involve the taking of a ladder from West Texas Utilities Company, 352 South Central, according to Assistant Criminal District Attorney Britt Thurman of Abilene. The ladder was found at the scene of the alleged attempted break-in.

Grand jurors included Clifford Hill of Anson (foreman); Mrs. Dave P. Walker, Mrs. B. J. Burnett, Charles G. Bragg, all of Stamford; Mrs. Byron O. Bell, Loyd Burkhardt, Frank Codington and J. E. McCoy, all of Hamlin; Mrs. D. C. Rister of Hawley; Mack Doty of Rt. 6, Abilene; and Kenneth Carman and Ernest Glazner, both of Anson.

One other indictment was returned by the eight-man, four-woman grand jury, that of driving while intoxicated, second offense, against Lee Herbert Moore of Lubbock.

## Library Extends Librarian Deadline

The time for taking applications for librarian of Hardin Memorial Library has been extended until Jan. 15 because of the busy holiday season.

Applications to the Executive Board, Hamlin Woman's Forum, Box 276, Hamlin, should include applicant's qualifications. The person applying must be able to type.

A five room house with bath and storage room is rent free to the person operating the library two hours a day, five days a week.

## Stonewall County 4-H Sets Carnival

There will be a 4-H Carnival held at Aspermont Junior High Building, Jan. 23, from 6:30 to 10:30 p.m.

All sorts of games, Bingo and cake walks will be held. Proceeds go to 4-H Club.

## A Brief Look Back At Highlights of 1970

Gary Smith, Hamlin High School senior, qualified for the Regional Golf Tournament in Lubbock.

# Holtz, Rountree Vows Read Moores On Trip to Mexico Here Sunday Afternoon

Pamala Kay Holtz and Michael Ray Rountree were married here Sunday at 3 p.m. in the Hamlin Church of Christ. Parents of the couple are Mr. and Mrs. John William Holtz and Mr. and Mrs. Delbert Rountree.

W. H. Johnston, minister, officiated. Wedding music was directed by Otho Higgs.

Shelley Holtz, sister of the bride, was maid of honor.

Scotty Brown of Irving was best man.

Candlegirls were Jon Bill Holtz, brother of the bride, and Timmy Baugh of Coleman, cousin of the bride.

Ushers were Billy Hodnett and Aubrey Holt of Lubbock.

Presented in marriage by her father, the bride wore a formal gown of white crepe and Chantilly lace. The high neckline of the fitted bodice and scalloped edges of the full lace sleeves were edged with pearls. Her chapel train extended from the empire waistline that was marked with a large bow. Her floor length veil fell from a lace covered pill box. She carried white feathered mums surrounding pink roses.

The maid of honor's dress was a cranberry matte velvet empire gown with long sleeves. Wide gold braid encircled the empire waist. A long sash formed the back interest. She wore a matching velvet headpiece and carried a cascade of pink carnations.

The reception was held in the reception room of the church.

The couple will live in Lubbock where both are attending Texas Tech University.

The bride, a 1967 graduate of Hamlin High School, is a senior.

Rountree, a 1966 graduate of HHS, received a bachelor of science degree in chemistry from Tech and is currently doing graduate work while employed as a teaching assistant in chemistry.

The rehearsal dinner was hosted by the bridegroom's parents at Cliff House in Stamford.

### Jaycee-ettes Set Meeting Tonight

### Mrs. Earl Brown To Present B&PW Club Program

The Hamlin Jaycee-ettes will meet tonight (Thursday) in the home of Mrs. Skipper Smith at 7:30 p.m. for a business meeting. Mrs. Harvey Lawlis will preside.

Mrs. Sam Mack Hodges will be co-hostess. All members are requested to bring the candles not sold during the recent candle sale.

Included in the business will be the forthcoming "Get Acquainted Tea."

Mrs. Earl Brown, president of the Business and Professional Women's Club, will speak to the group at the Jan. 12 meeting on her trip to Alaska taken this past summer.

The covered dish dinner meeting will be held at 7 p.m. in the fellowship room of First United Methodist Church.

Candlelighters were Alan Steele, brother of the bride, and Cheryl Lewis.

F. Barry Moore was best man for his brother. Groomsmen were Sam Hands of Garden City, Kans., Danny Scott of Caney, Kans., Douglas Carlton of Arlington, Gary Connally of Waco and Larry McCoy.

David Moore, brother of the bridegroom, was junior groomsman.

Mel Norman of North Platt, Neb., Randy Smith and Sammy Ferguson were ushers.

Guests were registered in the church foyer by Mrs. Chris Doan of Kansas City, Mo., and Ann Ford of Waco, cousins of the bride.

The reception was held in the home of the bridegroom, 43 Northwest Ave. A.

Assisting at the reception were aunts of the bride, Mrs. Ron Macon of Richardson and Mrs. Fred Ewing of Lubbock served the bride's cake from a table covered with a white satin and lace tablecloth. Flowers and greenery surrounded the three silver candelabras and punch bowl. The bride's cake was topped with fresh flowers.

Serving punch at the bride's table was Mrs. J. B. Martin of Longview.

Presiding at the groom's polished table was Mrs. Bill

## Following Wedding Sunday

Mr. and Mrs. Robert B. Moore are on a wedding trip to Acapulco and Mexico City, Mexico, after their marriage here Sunday at 3 p.m. in First Baptist Church.

The bride, the former Marcia Kay Steele, is the daughter of Mr. and Mrs. John Harold Steele. The bridegroom is the son of Mrs. Fred B. Moore Jr. and the late Mr. Moore.

Dr. Billy P. Smith, Bible professor at Hardin-Simmons University, read the marriage vows.

Don Johnson of Slaton, Kans., was organist. Wayne Ingmire of Joliet, Ill., was soloist.

The bride was presented in marriage by her father. Her long gown of ivory Chantilly lace over satin featured a Victorian neckline which was enhanced with tiny seed pearls and crystals. The Camelot sleeves had traces of pearls and crystals and these were repeated on the empire waistline. The back fullness fell chapel length and was finished with an edge of scalloped lace. Her three tiered veil of imported English illusion edged in lace fell from a satin and lace pillbox headpiece. She carried a bouquet of purple orchids and stephanotis atop a pearl covered Bible belonging to an aunt, Mrs. Ron Macon of Richardson.

Jane Ferguson was maid of honor. Bridesmaids were Peggy Jones of Haskell, Mary Ford of Abilene, cousin of the bride, Mary Jane Wallace, Latress Williams and Mari Baird of Logan, Kans. Junior bridesmaid was Patricia Moore, sister of the bridegroom.

Attendant's dresses were purple velvet with Victorian neckline and extended gathered waist. Each carried a white fur muff topped with gardenias. Headresses were white fur with a three tiered shoulder length veil of white illusion.

Candlelighters were Alan Steele, brother of the bride, and Cheryl Lewis.

F. Barry Moore was best man for his brother. Groomsmen were Sam Hands of Garden City, Kans., Danny Scott of Caney, Kans., Douglas Carlton of Arlington, Gary Connally of Waco and Larry McCoy.

David Moore, brother of the bridegroom, was junior groomsman.

Mel Norman of North Platt, Neb., Randy Smith and Sammy Ferguson were ushers.

Guests were registered in the church foyer by Mrs. Chris Doan of Kansas City, Mo., and Ann Ford of Waco, cousins of the bride.

The reception was held in the home of the bridegroom, 43 Northwest Ave. A.

Assisting at the reception were aunts of the bride, Mrs. Ron Macon of Richardson and Mrs. Fred Ewing of Lubbock served the bride's cake from a table covered with a white satin and lace tablecloth. Flowers and greenery surrounded the three silver candelabras and punch bowl. The bride's cake was topped with fresh flowers.

Serving punch at the bride's table was Mrs. J. B. Martin of Longview.

Presiding at the groom's polished table was Mrs. Bill

Ford of Abilene, who served the groom's cake, and Mrs. R. Gene Steele, who served coffee from a brass coffee service. A brass candelabra was the centerpiece.

Mrs. Larry McCoy presided at the guest registry at the reception.

The couple will reside in Jardine Terrace Apartments in Manhattan, Kans., where both are students at Kansas State University.

The bride is a graduate of Hamlin High School and is a freshman at KSU. She plans to enroll in Hardin-

Simmons University in the fall. She is a member of Rho Mates Chapter at KSU.

Moore, an HHS graduate, will graduate from KSU in May with a degree in agricultural economics. He is a member of Alpha Gamma Rho and is IFC representative of the fraternity. Following graduation he will be associated with Pied Piper Mills and Moore Elevator in Hamlin.

The rehearsal dinner was hosted by Mrs. Moore at the Petroleum Club in Abilene Saturday evening.

MRS. ROBERT B. MOORE

## FROM THE FILES . . .

FORTY-FIVE YEARS AGO  
(January 1, 1926)

Monday night, about seven-thirty, fire wrought a complete loss of all the household goods and ruined the residence of Mr. and Mrs. T. E. Harden, on Union Avenue. The flames broke out while the family was at the supper table. It had only been a few minutes before the fire was discovered that Miss Karen Harden had been talking over the telephone. She returned to the dining table and all of a sudden flames were seen enveloping the sitting room. Fire extinguishers in the home were brought into play, the garage extinguisher was brought in, but to no avail. The fire had evidently started in the attic and got a good headway before being discovered. The roof was practically new and sheeted, and the fire was hard to get to. It broke out all around the roof and finally burst out the top, but three faithful streams of water played systematically and not one time did the big Morgan Hotel, a few feet away become in danger. Practically everything in the house was burned or so badly scorched that it was not of much value. The remains of the house stand as a great recommendation to the fire department. It was extremely cold. Ice covered every fire boy before the long fought battle was over. But men who are not of danger, water and ice, can take a good stream of "gyp" and flam out a bad fire.

It has not been learned yet what Mr. Harden's plans are for rebuilding, but a substantial modern brick home will likely take the place of the one destroyed, either on the same lots, or some other location.

TWENTY YEARS AGO  
(January 5, 1951)

J. M. McDonald Company, operators of department stores in the central plains states, has purchased the Bryant-Link Department Store here and has taken over supervision of the store immediately. R. B. Bryant, Chairman of the Board of the Bryant-Link Co., announced. The McDonald company expects to continue operation of the newly acquired unit with little change except in store name. Bryant-Link personnel will remain in McDonald's employ. John C. Bryant will continue as manager of the Hamlin store.

Headquarters and warehouse of the J. M. McDonald Company are located in Hastings, Nebraska. The company was established in Holdrege, Nebraska, in 1914, and has been in continuous operation since that time. The firm derives its name from J. M. McDonald, Sr., Chairman of the Board of the McDonald Company. Acquisition of Bryant-Link stores in Stamford, Hamlin, Snyder and Lamesa, Texas, and Carlsbad, New Mexico, brings the

## School Free Lunch Program Approved By State Agency

The Hamlin Independent School District received word this week that the district's free and reduced price lunch program had been approved.

The free or reduced rates are based on the family income and the number in the family. Those receiving free lunches range from families with one child and making less than \$1,200 a year to those with 12 children in school and making less than \$6,900.

Those whose income is just above those receiving free lunches will receive their lunches at a reduced rate — paying either 5¢ or 15¢.

Families who feel that their children may be eligible for free or reduced price lunches are urged to apply to the principals of the schools their children are attending. Copies of the application form were sent home earlier by the students to the parents. The completed application signed by an adult member of the family should be returned to the principal of the school

Wedding napkins printed at the HERALD.

total of units operated by the McDonald company to 56. Other stores of the group are located in Nebraska, Iowa, Kansas and Colorado.

McDonald's relies on large scale buying, efficient operation and a sales-for-cash policy to bring its customers the nation's leading values in merchandise for the home and clothing and shoes for the family.

J. M. McDonald Company officials recognize the excellent reputation established by the Bryant-Link Company during its 66 years in business and have set as their goal the continuation of the high type of service which has helped to make Bryant-Link leading as merchants in Hamlin.

On the eve of the crucial battle for supremacy between the Hamlin High school Pipers and the self designated Fighting Faculty, both camps were issuing bulletins of assured victory in the basketball game to be unfolded tonight.

When the curtain rises on the battle of a century spokesmen for the faculty five have assured the press that such peerless performers as Point-a-Minute Hutchinson, Bound B. Newberry, Iron Man Chalcraft and Stretch Eades are in the best shapes of their outstanding careers and the Pipers are going to have to score points in the three-figure bracket to provide contention.

TEN YEARS AGO  
(January 5, 1961)

The city has installed a locked gate at the Hamlin Airport and posted a notice of a \$100 maximum fine for trespassing. City workmen have cleaned the field up so that it will be usable.

The action was brought about after numerous complaints that the strip was so littered with glass and cans that planes were unable to use it. Recently, an air ambulance refused to land here on an emergency call until the field was cleaned up.

The city patrolman on duty has a key to the gate and one is available at the city hall for anyone needing it.

Fisher County Sheriff's Posse will appear in the parade marking the inauguration of President John F. Kennedy.

The Fisher posse is one of two Texas groups selected to add color to the celebration.

The staff of Hamlin Memorial Hospital have been working extra long hours to take care of the large number of persons who are receiving diphtheria inoculations.

Cases of diphtheria which have become prevalent over the state have prompted people to seek the precautionary injections. A case in Aspermont added to the seriousness of the situation. A host of Aspermont citizens were vaccinated here Saturday and Sunday.

The number of persons being inoculated had begun to taper off slightly at late afternoon Tuesday.

Mr. and Mrs. Dallas Lynch, Dallas and Dane spent Christmas in Wichita Falls with her parents, Mr. and Mrs. John F. Kightlinger.

the child is attending.

Any unusual circumstances or hardships which affect the family's ability to pay for school lunches will also be considered. Those include prolonged illness in the family, unexpected expenses due to fire, flood, or any other disaster of this nature; seasonal employment and similar emergency situations.

If family is not satisfied with the decision made on their application, it may request a hearing to appeal the decision. This request may be made orally or in writing to the Superintendent of Schools who will review the application with them to see if different arrangements can be made.

The school district's formal free and reduced price policy statement and procedure that will be followed when a decision is appealed are on file in the superintendent's office and may be reviewed by any interested person.

## FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

# Secretary Outlines Provisions Of 1971 Feed Grain Program

Secretary of Agriculture Clifford M. Hardin, on December 8, 1970, announced major provisions of the 1971 feed grain program. "At this time, however," the Secretary explained, "There are many unknowns in the feed grain situation."

"Consequently, we are not announcing the final set-aside percentage until we have additional information on factors affecting the 1971 crops. For the purpose of the January Farmers' Planting Intentions Report, the Department will tentatively plan for a 20 percent set-aside for feed grain. The decision on the actual percentage will be made prior to the program signup period, March 1 through April 9, 1971. The preliminary payment associated with a 20 percent diversion requirement would be 32 cents per bushel for corn and 29 cents per

bushel for sorghum times the yield established for the farm times one-half the corn and grain sorghum base. We are announcing other program decisions in order to provide farmers with the broadest information possible for planning spring seedings," the Secretary said.

The set-aside program will give producers more options in the uncertain situations for corn than previous programs since it places no limits on the plantings of crops except those for which marketing quotas are approved by farmers. These crops are peanuts, rice, tobacco, extra long staple cotton, and sugarcane. I have great faith in farmers to make the right decisions when they are provided the opportunity to do so. The set-aside program frees them of specific acreage limitations

on all non-quota crops."

In 1971, participants in the set-aside program will be guaranteed a national average of \$1.35 bushel on the production from half their corn base, and \$1.24 a bushel (2.21 a hundredweight) on half their sorghum base. This compares with total support in 1970 of \$1.35 a bushel for corn, and \$1.20 a bushel (\$2.14 a hundredweight) for sorghum.

Set-aside payments for diverting the specified percentage of the base will be equal to the difference between the national average price received by farmers during the first five months of the marketing year and the guarantee.

The method of calculating set-aside payments for a farm will be like that of the 1970 program: half the feed grain base times the farm yield times the payment per bushel. Unlike the 1970 program — when participants were paid on the actual acreage of feed grain planted up to 50 percent of the farm base — participants in the set-aside program will receive the full payment regardless of what they plant on their acreage.

Preliminary payments to participants will be made as soon as practicable after July 1, 1970. Regardless of the size the total payment turns out to be, the participant will not be required to refund any of the preliminary payment.

The 1971 loan rate for corn will be \$1.08 per bushel for No. 2 which is equivalent to \$1.05 a bushel for corn of average quality, the same level as in 1970.

In setting the loan rates for other feed grain, the Agricultural Act of 1970 places heavy emphasis on feeding values in relation to corn. In contrast, the Food and Agriculture Act of 1965, which authorized recent feed grain programs, required consideration of this factor in setting total support, but left loan rates largely to the discretion of the Secretary. As a result of the emphasis of the new Act, 1971 sorghum rates are higher than in 1970, while

those for the other grains are lower. The 1971 loan levels for the other grains are as follows: grain sorghum, \$1.73 per hundredweight; barley, 81 cents per bushel; oats 54 cents per bushel; and rye, 89 cents per bushel.

The Agricultural Act of 1970 makes provisions for the shifting of bases from farms which do not plant feed grain to those which do. The law provides that farms which plant less than 45 percent of their feed grain base in 1971 will have their 1972 base reduced for the amount of the under planting, up to 20 percent of the base. If no feed grain or authorized substitute crops are planted for three consecutive years, the entire base is removed from the farm. All base lost by farms will be placed in a national pool for reallocation to other farms.

Acreage which is not planted due to drought, flood, or

other natural disaster or a condition beyond the control of the producer, will be considered planted to feed grain to preserve bases, and any producer who makes a set-aside but elects to receive no payment will not suffer loss of base. In 1971, acreage planted to soybeans will not be considered planted to feed grain, unless it is later determined that this action is needed to prevent a shortage of soybeans. Acreage planted to wheat will be considered planted to feed grain to prevent loss of base. Under the wheat program, land planted to feed grain will be considered planted to wheat to prevent loss of allotment.

This action will provide broader substitution privileges to participants in the wheat and feed grain programs than in previous years. A producer with a feed grain base and a wheat allotment can plant his entire feed grain

base and wheat allotment to wheat or to feed grain without loss of history, just as he did in 1970. He will also get both wheat certificates and feed grain payments — which he could not in 1970, unless he planted a fixed percentage of each of these crops. Further, since there is no limit on feed grain or wheat plantings, he can plant more acreage to these grains than the total of his base and his allotment — planting them on land which he previously used for lower return crops. He will be required, however, to make his set-aside under both programs and maintain his conserving base just as he did in 1970.

A farmer with only a feed grain base or only a wheat allotment may still plant all feed grain or all wheat without losing history or payment.

Only corn and sorghum will be included in the set-aside program — barley will not be included. Farmers with a barley base will not be required to set-aside any acreage to be eligible for loans or purchases.

A producer may participate in the feed grain program on any farm or all farms in which he has an interest, as he wishes.

No additional set-aside will be authorized for payment, in view of the probable need for additional feed grains in 1971.

The Agricultural Act of

1970 limits feed grain pay-

ments to any person to \$55,-

000. This limitation will af-

fect a rather small number

of feed grain producers.

The limitation of payments pro-

tection does not apply to loans

nor to sales of eligible feed

grains to Commodity Credit

Corporation. Feed grain bases

will be set just as they were

in 1970.

Other program details,

such as production of alter-

nate crops on diverted acre-

age, will be announced prior

to signup.

AUSTIN — As expected, Texans will be paying higher auto insurance rates next year. But rates will not be as high as first proposed.

State Board of Insurance has announced an average statewide 13.6 per cent increase for all classes of vehicles and coverages. Actually, that's about a 14 per cent overall increase for private passenger cars.

In establishing the rate, the Board, for the first time in its history, took into consideration insurance company income from investments and all other sources. But it backed off from the "net worth concept" which would have produced still higher rates.

Staff members of the state regulatory agency last November recommended an average hike of 23.4 per cent. Industry actually asked 27.7 per cent, and reportedly is disappointed at the end result, since it got only about half of what it wanted.

Board members staunchly defended their findings as adequate, however, and said rates will allow after-tax profit of 5.1 per cent on total assets, or 7.2 per cent before taxes.

Rate of return from policy underwriting reflected in 5.1 per cent profit is only 1.3 per cent after taxes. Profit allocation from interest, dividends and rents is 2.9 per cent after taxes and from realized and unrealized capital gains of 1.9 per cent.

On a sample area basis, policies for average drivers of new, medium-priced cars would increase (all coverages combined) by the following amounts:

Northeastern zone \$25, Southeastern \$23, El Paso \$29, East Texas oil field area \$15, West Texas oil field \$30, Webb County \$19, Coastal \$24, Rio Grande Valley \$20, Galveston County \$26, Potter and Randall Counties \$24, Denton County \$25, Wichita County \$21, Dallas County \$27 and Harris County \$22.

LAWMAKER PAY HIKE PUSHED — A sub-committee of House Speaker Gus Mutscher's blue-ribbon "Committee of 100" termed legislator pay "unrealistically low" and said the \$4,800 limit should be stricken from the State Constitution.

Sub-panel, headed by News-

paper Publisher S. B. Whittenberg of Amarillo, recommended that a six-member commission be named by the governor to fix legislative pay and expense account boundaries.

OPINIONS — Commissioners courts are authorized to approve expenditures for dues in non-profit association of counties, says Atty. Gen. Crawford Martin.

In other opinions, Martin ruled that:

Orange County Commissioner could not resign office for new term to which he was elected before the term actually begins.

Gillespie County commissioners can lease part of an airport to the county fair association.

## Success Is the Crop We Cultivate

THE MAN WHO THINKS and plans ahead is usually the man who's successful. Here at the Land Bank, we like people who think success—because success is the crop we cultivate. If you see an opportunity to expand or mechanize your operation, come in and talk it over. We'll listen . . . and we may be able to help.

NEWS AND VIEWS . . .

**And What Have You**  
By BOB CRAIG

Johnny Bryant asked us a question the other day that we did not have the answer for and maybe one of our readers can fill us both in on the answer. Why fire crackers at Christmas? As Johnny said we can maybe understand fire crackers on New Year's and Fourth of July—but Christmas?

The best we can tell the tradition of fire crackers at Christmas is something that is pretty well confined to the southern part of the nation, but we have no idea as to how it got started, nor why.

As we get older we find it harder and harder to understand fire works at anytime except maybe the organized displays but suspect that this is normal.

If you have any background information on this subject we hope that you will pass it along.

PREPARING FOR SHOW SATURDAY--Milburn Wink, right, vocational agriculture teacher, assists Larry Don Jayroe, second year FFA member, as he chooses broilers for the three pens he will enter in the Community Livestock Show Saturday sponsored by the Hamlin Jaycees.

## Pipers to Open District Basketball Race Friday

In order to complete the district race within the time schedule set by UIL, the girls basketball teams in District 7-AA opened conference play Tuesday by playing the last team on their schedule. The Pipettes opened here with Haskell.

But if we had been forced to watch all the rest just to see the Cowboys win the title from the 49'ers Sunday we would have probably paid the price. It has taken them a long time to make it and they almost had to come in the backdoor, but, they have really put it all together, coming down the home stretch.

We do not know if they can get by Baltimore in the Super Bowl but regardless of the outcome of that game they have proven themselves as being able to win the big one.

As for the other big game this past weekend about all we can say is that it just was not Texas' day. Maybe it would be better if bowl games were played on Dec. 31 instead of Jan. 1 then the losing teams could at least start the New Year off with a clean slate. As it is the Longhorns can not have a very good 1971 until they make it back into the Cotton bowl again.

### County Livestock Show Scheduled For Anson, Jan. 16

The Jones County Livestock Show will be held in Anson, on January 16, at the Jones County Fair Grounds. Entry deadline is January 9, for all classes. Entries in this show will be limited to Jones County FFA and 4-H members.

General Superintendent for the show is Don Welch of Lueders-Avoca with W. L. Medford and Weldon Holbrook of Stamford as assistants. Jerry Terrell, Stamford, is in charge of publicity for this year's show and Charles Stenholm will be Show Secretary.

If you are involved in basketball to the extent that you make it to both the junior high and high school games then you might as well get geared up for a long grind between now and Feb. 22. Most of that time we will have teams playing four nights a week with three games each night and anyway you look at it, that is a lot of basketball.

We extend our best wishes to all of the teams as they start their district races this week and next. We hope that each can have a good season.

Since this column has about turned into a sports column this week we might as well go on and congratulate Larry Butler, Don Drummond and Travis Sursa. Butler has resigned his coaching job here to take a position with Sul Ross State University that will permit him to continue work on his master's degree. Drummond has been promoted from his Junior High position to High School Track Coach and football assistant. And Sursa has been moved up to take Drummond's place in Junior High.

All of Butler's many friends here are going to miss him, us included, but we know that this is a fine opportunity for him and wish him well.

And at the same time we wish Don and Travis the best of luck in their new positions.

Supt. C. F. Cook and Head Coach Deane Wright hope to fill the seventh grade position formerly held by Sursa this week.

Jan. 1 — A heavy ice storm hit West Texas resulting in damage to telephone and power lines. Jerald McCannies of DeLeon, HHS grad named as the Class A Coach of the Year by the Abilene Reporter News.

Jan. 8 — The Jaycee Community Livestock Show will be held Saturday at the Jaycee Community Building. Hamlin Jaycees raise some \$100 at a football game staged Sunday afternoon for the March of Dimes.

Jan. 15 — County Livestock Show Set in Anson Saturday. J. D. Josey elected Fire Chief by the Hamlin Volunteer Fire Department.

Jan. 22 — Barry Moore elected president of the Hamlin Board of Community Development. Steve Teichelman was top winner from Hamlin in the County Livestock Show.

Jan. 29 — Gary Smith and Jana Ferguson chosen as Outstanding Senior Boy and Girl by the Junior Class. License Plates go on sale Monday.

Feb. 5 — Adel Khalil Sha-

with Becky Wright scoring 14 for Hamlin.

The Pipers will open their district race Friday when the Pipers, the Pipettes and the B Team travel to Stamford. Tuesday the three teams will host Rotan here.

The girls from Haskell and the B Team Girls are entered in the Merkel B Team Tournament starting tonight (Thursday) with the girls playing Anson at 7:30 and the boys playing Anson at 8:45. The second games will be played Saturday.

The three Junior High teams will open their district race here Monday evening when they host Haskell here with the seventh grade boys starting at 5:30.

The eighth grade boys and girls teams made it into the championship side of the Anson Junior High Tournament by defeating Albany Monday evening. The boys, led by Johnny Jones with 24 points, defeated Albany, 33-24. It took two overtimes for the girls to win, 27-25, with Kathy Hooper scoring 16 points. Cheryl Lewis scored the winning two points. She had eight for the night.

The girls will play their second game in the tourney Saturday at 11:40 and the boys will play at 12:45.

Over the holidays the Pipers won the Consolation Championship in the Rotan Tournament by defeating Seretary.

Anson, 46-33, with Shelton Marshall scoring 12 points. The girls won third place by defeating Rotan, 58-34, with Debbie Hardaway hitting 27 points.

Thursday the Pipers defeated Coahoma, 52-37, with Marshall scoring 13 points and the Pipettes were defeated by Coahoma, 43-24, with Hardaway hitting 13 points. The girls B team fell to Coahoma, 27-26.

### Bill Davis Joins Bryant Insurance Agency Here Jan. 4

John C. Bryant of Bryant Insurance Agency has announced the addition of Bill Davis to the staff of the firm.

Davis joined Mr. and Mrs. Bryant and May Gay in the insurance agency Jan. 4.

Davis was formerly employed by West Texas Utilities. He had been with the company since 1947, following his graduation from Stamford High School, with the exception of two years in the U. S. Army from 1952 to 1954. His Army service included 18 months in Germany.

He and his wife, the former Jean Ross of Stamford, have two sons, Lynn and Mike. Mrs. Davis is employed as an aide to the librarian in Hamlin Independent School District.

There will be a 4-H Carnival held at Aspermont Junior High Building, Jan. 23, from 6:30 to 10:30 p.m.

All sorts of games, Bingo and cake walks will be held. Proceeds go to 4-H Club.

Continued on Page 1

## Show Winners to Get Trophies, Prize Money

Six championship trophies and some \$550 in prize money made possible through donations will be given during the annual Community Livestock Show to be held here Saturday under the sponsorship of the Hamlin Jaycees.

Judging will get underway at 9 a.m. Hamlin students participating in Future Farmers of America or 4-H Club work are eligible to enter.

Trophies will be given in six divisions, barrows, gilts, breeding beef females, commercial beef animals, poultry and rabbits.

Swine entries in the barrow division include two Berkshires, two Chester Whites, 14 Durocs, four Hampshires, and 11 crossbred barrows. Gilts entered are two Chester Whites, 14 Durocs, four Hampshires, 13 crossbred

gilts and seven sows.

In the beef division two beef heifers, five commercial beef and two dairy heifers are entered.

Competition in the poultry division will be 36 pens

of broilers and three pens of laying hens.

Rabbit entries include 12 does, 10 bucks and one doe and litter.

Milburn Wink is in charge of entries.

## Grand Jury Indicts Trio Arrested Here Dec. 14

Three Coleman residents were indicted by a 104th District Court grand jury Monday for "conspiracy to burglarize" the F and M National Bank here Dec. 14.

Indicted were Mari Layton Lindsey, 30; his wife, Lyndell Beth Lindsey, 27; and Billy Martin Hicks, 20. They were also jointly indicted on two counts of "resisting arrest with a firearm" and

### Charles Abshers Purchase Style Cleaners Jan. 1

Mr. and Mrs. Don Hymer, owner of Style Cleaners for the past 25 years, have announced the sale of the firm to Mr. and Mrs. Charles Absher, effective Jan. 1.

The cleaning firm located in the 200 block of South Central was purchased by the Hymer from John Howell. In July, 1965, the business was moved into a new building at the present location on West Lake Drive.

Mr. and Mrs. Hymer have no definite plans at this time but will remain in Hamlin. He will continue working at the cleaners through January.

Mr. Absher is administrative manager at Hamlin Hospital Management, Inc. His wife, the former Faith Simpson, is a third grade teacher in Hamlin Elementary School. They have three children, Lisa, Pamela and Bill. They are members of the First Baptist Church.

Mr. Absher has announced that he will not take an active part in the operation of the plant at this time and has named Joe Simpson as manager.

### Stated Meeting

Twenty-five year pins will be presented at the regular stated meeting of Hamlin Masonic Lodge No. 958 Monday evening Jan. 11 at 7:30 p.m.

O. G. Harvey is worshipful master of the local lodge.

One count of felony theft. The Lindseys remain in lieu of bonds totaling \$75,000. Hicks has been free on reduced bonds totaling \$4,500.

The two counts of "resisting arrest" involve guns allegedly pointed at Hamlin Patrolmen Homer Dill and James Kerby, who arrested the trio in the alley on the west side of the 200 block of South Central.

The theft counts involve the taking of a ladder from West Texas Utilities Company, 352 South Central, according to Assistant Criminal District Attorney Britt Thurman of Abilene. The ladder was found at the scene of the alleged attempted break-in.

Grand juries included Clifford Hill of Anson (foreman); Mrs. Dave P. Walker, Mrs. B. J. Burnett, Charles G. Bragg, all of Stamford; Mrs. Byron O. Bell, Loyd Burkhardt, Frank Codington and J. E. McCoy, all of Hamlin; Mrs. D. C. Rister of Hawley; Mack Doty of Rt. 6, Abilene; and Kenneth Carman and Ernest Glazner, both of Anson.

One other indictment was returned by the eight-man, four-woman grand jury, that of driving while intoxicated, second offense, against Lee Herbert Moore of Lubbock.

### Library Extends Librarian Deadline

The time for taking applications for librarian of Hardin Memorial Library has been extended until Jan. 15 because of the busy holiday season.

Applications to the Executive Board, Hamlin Woman's Forum, Box 276, Hamlin, should include applicant's qualifications. The person applying must be able to type.

A five room house with bath and storage room is rent free to the person operating the library two hours a day, five days a week.

# Holtz, Rountree Vows Read Moores On Trip to Mexico Here Sunday Afternoon Following Wedding Sunday

Pamala Kay Holtz and Michael Ray Rountree were married here Sunday at 3 p.m. in the Hamlin Church of Christ. Parents of the couple are Mr. and Mrs. John William Holtz and Mr. and Mrs. Delbert Rountree.

W. H. Johnston, minister, officiated. Wedding music was directed by Otho Higgs.

Shelley Holtz, sister of the bride, was maid of honor.

Scotty Brown of Irving was best man.

Candelighters were Jon Bill Holtz, brother of the bride, and Timmy Baugh of Coleman, cousin of the bride.

Ushers were Billy Hodnett and Aubrey Holt of Lubbock. Presented in marriage by her father, the bride wore a formal gown of white crepe and Chantilly lace. The high neckline of the fitted bodice and scalloped edges of the full lace sleeves were edged with pearls. Her chapel train extended from the empire waistline that was marked with a large bow. Her floor length veil fell from a lace covered pill box. She carried white feathered mums surrounding pink roses.

The maid of honor's dress was a cranberry matte velvet empire gown with long sleeves. Wide gold braid encircled the empire waist. A long sash formed the back interest. She wore a matching velvet headpiece and carried a cascade of pink carnations.

The reception was held in the reception room of the church.

The couple will live in Lubbock where both are attending Texas Tech University.

The bride, a 1967 graduate of Hamlin High School, is a senior.

Rountree, a 1966 graduate of HHS, received a bachelor of science degree in chemistry from Tech and is currently doing graduate work while employed as a teaching assistant in chemistry.

The rehearsal dinner was hosted by the bridegroom's parents at Cliff House in Stamford.

MRS. MICHAEL RAY ROUNTREE  
...formerly Pamala Kay Holtz

Jaycee-ettes Set Meeting Tonight

Mrs. Earl Brown To Present B&PW Club Program

The Hamlin Jaycee-ettes will meet tonight (Thursday) in the home of Mrs. Skipper Smith at 7:30 p.m. for a business meeting. Mrs. Harvey Lawlis will preside.

Mrs. Sam Mack Hodges will be co-hostess. All members are requested to bring the candles not sold during the recent candle sale.

Included in the business will be the forthcoming "Get Acquainted Tea."

Mrs. Earl Brown, president of the Business and Professional Women's Club, will speak to the group at the Jan. 12 meeting on her trip to Alaska taken this past summer.

The covered dish dinner meeting will be held at 7 p.m. in the fellowship room of First United Methodist Church.

Candelighters were Alan Steele, brother of the bride, and Cheryl Lewis.

F. Barry Moore was best man for his brother. Groomsmen were Sam Hands of Garden City, Kans., Danny Scott of Caney, Kans., Douglas Carlton of Arlington, Gary Connally of Waco and Larry McCoy.

Dave Moore, brother of the bridegroom, was junior groomsman.

Mel Norman of North Platt, Neb., Randy Smith and Sammy Ferguson were ushers.

Guests were registered in the church foyer by Mrs. Chris Doan of Kansas City, Mo., and Ann Ford of Waco, cousins of the bride.

The reception was held in the home of the bridegroom, 43 Northwest Ave. A.

Assisting at the reception were aunts of the bride. Mrs. Ron Macon of Richardson and Mrs. Fred Ewing of Lubbock served the bride's cake from a table covered with a white satin and lace tablecloth. Flowers and greenery surrounded the three silver candelabras and punch bowl. The bride's cake was topped with fresh flowers.

Serving punch at the bride's table was Mrs. J. B. Martin of Longview.

Presiding at the groom's polished table was Mrs. Bill

Mr. and Mrs. Robert B. Moore are on a wedding trip to Acapulco and Mexico City, Mexico, after their marriage here Sunday at 3 p.m. in First Baptist Church.

The bride, the former Marcia Kay Steele, is the daughter of Mr. and Mrs. John Harold Steele. The bridegroom is the son of Mrs. Fred B. Moore Jr. and the late Mr. Moore.

Dr. Billy P. Smith, Bible professor at Hardin-Simmons University, read the marriage vows.

Don Johnson of Smolan, Kans., was organist. Wayne Ingmire of Joliet, Ill., was soloist.

The bride was presented in marriage by her father. Her long gown of ivory Chantilly lace over satin featured a Victorian neckline which was enhanced with tiny seed pearls and crystals. The Camelot sleeves had traces of pearls and crystals and these were repeated on the empire waistline. The back fullness fell chapel length and was finished with an edge of scalloped lace. Her three tiered veil of imported English illusion edged in lace fell from a satin and lace pillbox headpiece. She carried a bouquet of purple orchids and stephanotis atop a pearl covered Bible belonging to an aunt. Mrs. Ron Maccon of Richardson.

Jane Ferguson was maid of honor. Bridesmaids were Peggy Jones of Haskell, Mary Ford of Abilene, cousin of the bride, Mary Jane Wallace, Latrice Williams and Mari Baird of Logan, Kans. Junior bridesmaid was Patricia Moore, sister of the bridegroom.

Attendant's dresses were purple velvet with Victorian neckline and extended gathered waist. Each carried a white fur muff topped with gardenias. Headresses were white fur with a three tiered shoulder length veil of white illusion.

The covered dish dinner meeting will be held at 7 p.m. in the fellowship room of First United Methodist Church.

Candelighters were Alan Steele, brother of the bride, and Cheryl Lewis.

F. Barry Moore was best man for his brother. Groomsmen were Sam Hands of Garden City, Kans., Danny Scott of Caney, Kans., Douglas Carlton of Arlington, Gary Connally of Waco and Larry McCoy.

Dave Moore, brother of the bridegroom, was junior groomsman.

Mel Norman of North Platt, Neb., Randy Smith and Sammy Ferguson were ushers.

Guests were registered in the church foyer by Mrs. Chris Doan of Kansas City, Mo., and Ann Ford of Waco, cousins of the bride.

The reception was held in the home of the bridegroom, 43 Northwest Ave. A.

Assisting at the reception were aunts of the bride. Mrs. Ron Macon of Richardson and Mrs. Fred Ewing of Lubbock served the bride's cake from a table covered with a white satin and lace tablecloth. Flowers and greenery surrounded the three silver candelabras and punch bowl. The bride's cake was topped with fresh flowers.

Serving punch at the bride's table was Mrs. J. B. Martin of Longview.

Presiding at the groom's polished table was Mrs. Bill

Ford of Abilene, who served the groom's cake, and Mrs. R. Gene Steele, who served coffee from a brass coffee service. A brass candelabra was the centerpiece.

Mrs. Larry McCoy presided at the guest registry at the reception.

The couple will reside in Jardine Terrace Apartments in Manhattan, Kans., where both are students at Kansas State University.

The bride is a graduate of Hamlin High School and is a freshman at KSU. She plans to enroll in Hardin-

Simmons University in the fall. She is a member of Rho Mates Chapter at KSU.

Moore, an HHS graduate, will graduate from KSU in May with a degree in agricultural economics. He is a member of Alpha Gamma Rho and is IFC representative of the fraternity. Following graduation he will be associated with Pied Piper Mills and Moore Elevator in Abilene.

The rehearsal dinner was hosted by Mrs. Moore at the Petroleum Club in Abilene Saturday evening.

Holiday visitors have come and gone and so has 1970, which surely must have been one of the driest years we have had for quite some time. On Tuesday night of last week of rain which brought our total for the year to 17.6 inches, however crops last year were generally good considering the small amount of moisture we received. 1971 dawned bright and clear bringing renewed hopes for better things to come.

Mrs. Ruth Thayer and Mrs. Louana Yaglo.

Stopping by to visit in the home of Mr. and Mrs. Charles Letz and Mr. and Mrs. Herman Letz were two of their nieces, Mrs. Leon Grandy and daughter Lorri Ann of Wichita Falls and Mrs. Claude Helwig of Goodland, Kans. A nephew, Raymond Dippel, and son Clifford of Lubbock also stopped by to visit with Mr. and Mrs. Charles Letz.

Get well wishes go to Mrs. Cliff Gholson who is recovering from surgery in the Stamford Hospital and to Mrs. Tony Letz who fell and broke an arm.

Mrs. Emma Newman of Amarillo was here last week visiting in the home of her sister, Mrs. Katie Gerloff and also in the home of a brother and wife, Mr. and Mrs. Roy Wienke.

Mrs. Gerloff had three of her sons home for Christmas. Her visitors included Mr. and Mrs. Raymond Gerloff of Abilene, Mr. and Mrs. Eugene Gerloff and Jack Gerloff of Lubbock, also a grandson and family, the Ronnie Gerloffs, who have been living in Missouri but are moving back to Texas.

Mr. and Mrs. Billy Beil, Vance and Kim, were here during the holidays visiting in the home of his parents, Mr. and Mrs. Travis Beil.

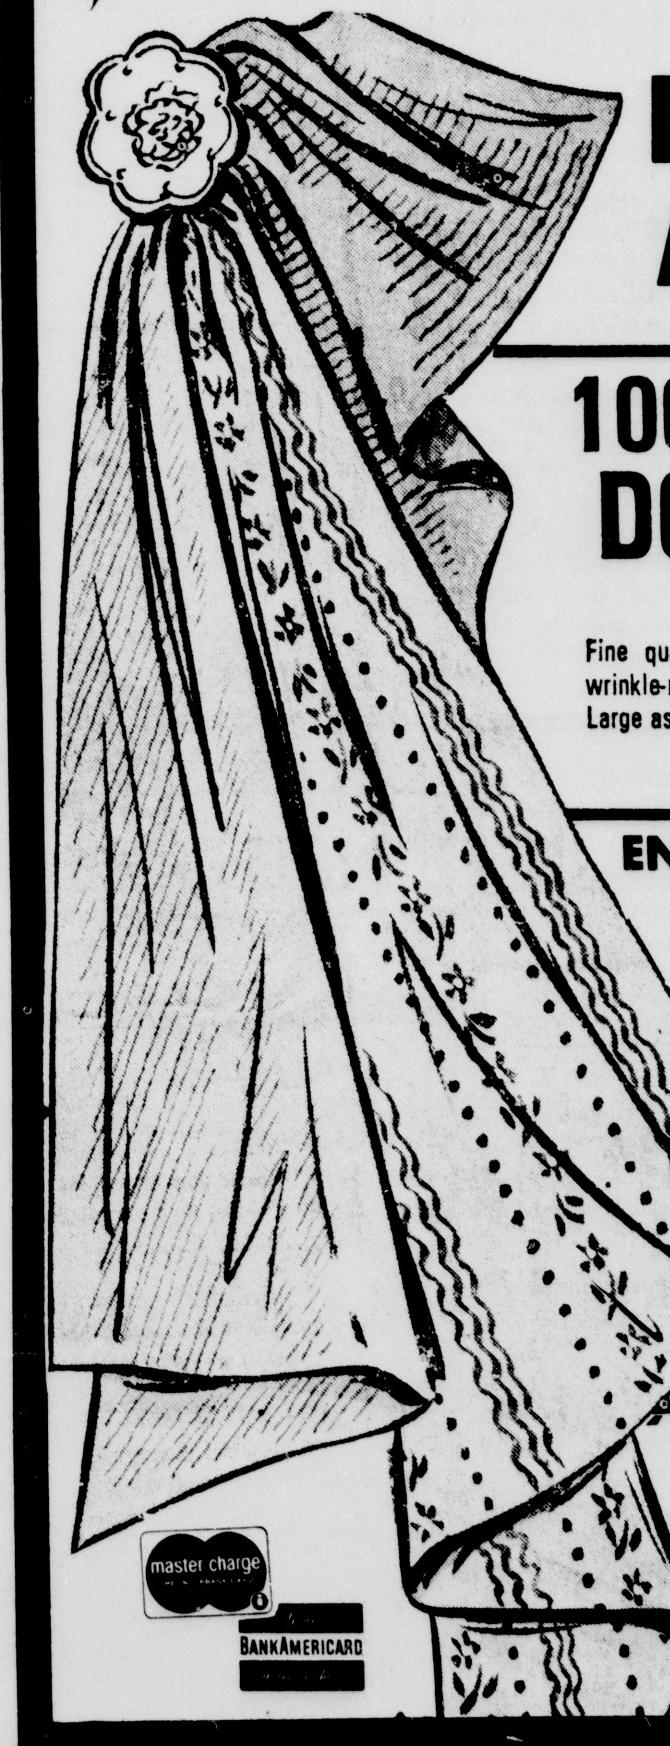

Mr. and Mrs. Cecil Klump were in Mineral Wells one day last week visiting in the home of two of her aunts, Mrs. Bill Kolb and children of Arlington.

Mr. and Mrs. Felipe P. Carrillo of Rotan are parents of a girl, Katherine Ann, born here Jan. 2 at 10:28 a.m. She weighed 6 lbs. 13 1/2 oz.

## FROM THE FILES . . .

FORTY-FIVE YEARS AGO  
(January 1, 1926)

Monday night, about seven-thirty, fire wrought a complete loss of all the household goods and ruined the residence of Mr. and Mrs. T. E. Harden, on Union Avenue. The flames broke out while the family was at the supper table. It had only been a few minutes before the fire was discovered that Miss Karen Harden had been talking over the telephone. She returned to the dining table and all of a sudden flames were seen enveloping the sitting room. Fire extinguishers in the home were brought into play, the garage extinguisher was brought in, but to no avail. The fire had evidently started in the attic and got a good headway before being discovered. The roof was practically new and sheeted, and the fire was hard to get to. It broke out all around the roof and finally burst out the top, but three faithful streams of water played systematically and not one time did the big Morgan Hotel, a few feet away become in danger. Practically everything in the house was burned or so badly scorched that it was not of much value. The remains of the house stand as a great recommendation to the fire department. It was extremely cold. Ice covered every fire boy before the long fought battle was over. But men who are not of danger, water and ice, can take a good stream of "gyp" and flam out a bad fire.

It has not been learned yet what Mr. Harden's plans are for rebuilding, but a substantial modern brick home will likely take the place of the one destroyed, either on the same lots, or some other location.

TWENTY YEARS AGO  
(January 5, 1951)

J. M. McDonald Company, operators of department stores in the central plains states, has purchased the Bryant-Link Department Store here and has taken over supervision of the store immediately, R. B. Bryant, Chairman of the Board of the Bryant-Link Co., announced. The McDonald company expects to continue operation of the newly acquired unit with little change except in store name. Bryant-Link personnel will remain in McDonald's employ. John C. Bryant will continue as manager of the Hamlin store.

Headquarters and warehouse of the J. M. McDonald Company are located in Hastings, Nebraska. The company was established in Holdrege, Nebraska, in 1914, and has been in continuous operation since that time. The firm derives its name from J. M. McDonald, Sr., Chairman of the Board of the McDonald Company. Acquisition of Bryant-Link stores in Stamford, Hamlin, Snyder and Lamesa, Texas, and Carlsbad, New Mexico, brings the

total of units operated by the McDonald company to 56. Other stores of the group are located in Nebraska, Iowa, Kansas and Colorado.

McDonald's relies on large scale buying, efficient operation and a sales-for-cash policy to bring its customers the nation's leading values in merchandise for the home and clothing and shoes for the family.

J. M. McDonald Company officials recognize the excellent reputation established by the Bryant-Link Company during its 66 years in business and have set as their goal the continuation of the high type of service which has helped to make Bryant-Link leading as merchants in Hamlin.

On the eve of the crucial battle for supremacy between the Hamlin High school Pipers and the self designated Fighting Faculty, both camps were issuing bulletins of assured victory in the basketball game to be unfolded tonight.

When the curtain rises on the battle of a century spokesmen for the faculty five have assured the press that such peerless performers as Point-a-Minute Hutchinson, Bound-B. Newberry, Iron Man Chalcraft and Stretch Eades are in the best shapes of their outstanding careers and the Pipers are going to have to score points in the three-figure bracket to provide contention.

TEN YEARS AGO  
(January 5, 1961)

The city has installed a locked gate at the Hamlin Airport and posted a notice of a \$100 maximum fine for trespassing. City workmen have cleaned the field up so that it will be usable.

The action was brought about after numerous complaints that the strip was so littered with glass and cans that planes were unable to use it. Recently, an air ambulance refused to land here on an emergency call until the field was cleaned up.

The city patrolman on duty has a key to the gate and one is available at the city hall for anyone needing it.

Fisher County Sheriff's Posse will appear in the parade marking the inauguration of President John F. Kennedy.

The Fisher posse is one of two Texas groups selected to add color to the celebration.

The staff of Hamlin Memorial Hospital have been working extra long hours to take care of the large number of persons who are receiving diphtheria inoculations.

Cases of diphtheria which have become prevalent over the state have prompted people to seek the precautionary injections. A case in Aspermont added to the seriousness of the situation. A host of Aspermont citizens were vaccinated here Saturday and Sunday.

The number of persons being inoculated had begun to taper off slightly at late afternoon Tuesday.

Mr. and Mrs. Dallas Lynch, Dallas and Dane spent Christmas in Wichita Falls with her parents, Mr. and Mrs. John F. Kightlinger.

the child is attending.

Any unusual circumstances or hardships which affect the family's ability to pay for school lunches will also be considered. Those include prolonged illness in the family, unexpected expenses due to fire, flood, or any other disaster of this nature; seasonal employment and similar emergency situations.

If a family is not satisfied with the decision made on their application, it may request a hearing to appeal the decision. This request may be made orally or in writing to the Superintendent of Schools who will review the application with them to see if different arrangements can be made.

The school district's formal free and reduced price lunch program had been approved. The free or reduced rates are based on the family income and the number in the family. Those receiving free lunches range from families with one child and making less than \$1,200 a year to those with 12 children in school and making less than \$6,900.

Those whose income is just above those receiving free lunches will receive their lunches at a reduced rate — paying either 5¢ or 15¢.

Families who feel that their children may be eligible for free or reduced price lunches are urged to apply to the principals of the schools their children are attending. Copies of the application form were sent home earlier by the students to the parents. The completed application signed by an adult member of the family should be returned to the principal of the school

Wedding napkins printed at the HERALD.

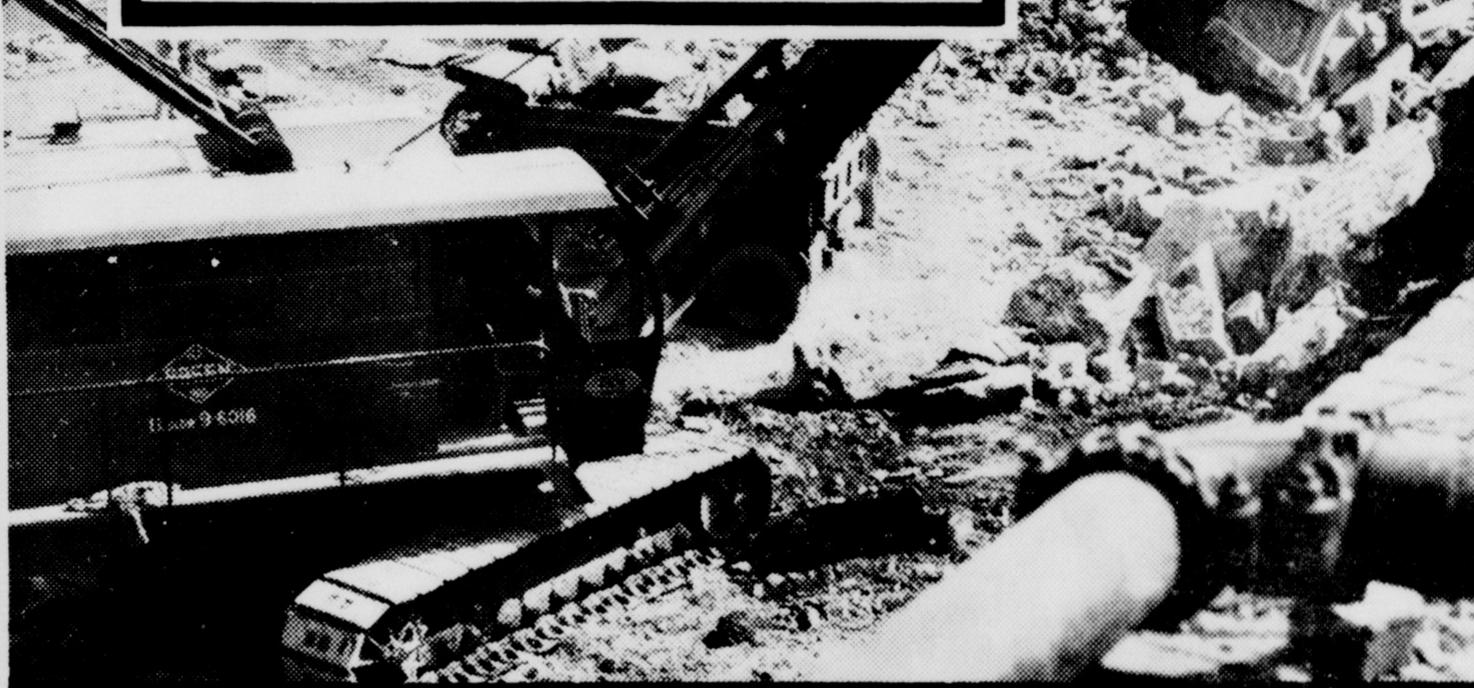

## FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

# Secretary Outlines Provisions Of 1971 Feed Grain Program

Secretary of Agriculture Clifford M. Hardin, on December 8, 1970, announced major provisions of the 1971 feed grain program. "At this time, however," the Secretary explained, "There are many unknowns in the feed grain situation."

"Consequently, we are not announcing the final set-aside percentage until we have additional information on factors affecting the 1971 crops. For the purpose of the January Farmers' Planting Intentions Report, the Department will tentatively plan for a 20 percent set-aside for feed grain. The decision on the actual percentage will be made prior to the program signup period, March 1 through April 9, 1971. The preliminary payment associated with a 20 percent diversion requirement would be 32 cents per bushel for corn and 29 cents per

bushel for sorghum times the yield established for the farm times one-half the corn and grain sorghum base. We are announcing other program decisions in order to provide farmers with the broadest information possible for planning spring seedings," the Secretary said.

The set-aside program will give producers more options in the uncertain situations for corn than previous programs since it places no limits on the plantings of crops except those for which marketing quotas are approved by farmers. These crops are peanuts, rice, tobacco, extra long staple cotton, and sugarcane. I have great faith in farmers to make the right decisions when they are provided the opportunity to do so. The set-aside program frees them of specific acreage limitations

on all non-quota crops."

In 1971, participants in the set-aside program will be guaranteed a national average of \$1.35 a bushel on the production from half their corn base, and \$1.24 a bushel (2.21 a hundredweight) on half their sorghum base. This compares with total support in 1970 of \$1.35 a bushel for corn, and \$1.20 a bushel (\$2.14 a hundredweight) for sorghum.

Set-aside payments for diverting the specified percentage of the base will be equal to the difference between the national average price received by farmers during the first five months of the marketing year and the guarantee.

The method of calculating set-aside payments for a farm will be like that of the 1970 program: half the feed grain base times the farm yield times the payment per bushel. Unlike the 1970 program — when participants were paid on the actual acreage of feed grain planted up to 50 percent of the farm base — participants in the set-aside program will receive the full payment regardless of what they plant on their acreage.

Preliminary payments to participants will be made as soon as practicable after July 1, 1970. Regardless of the size the total payment turns out to be, the participant will not be required to refund any of the preliminary payment.

The 1971 loan rate for corn will be \$1.08 per bushel for No. 2 which is equivalent to \$1.05 a bushel for corn of average quality, the same level as in 1970.

In setting the loan rates for other feed grain, the Agricultural Act of 1970 places heavy emphasis on feeding values in relation to corn. In contrast, the Food and Agriculture Act of 1965, which authorized recent feed grain programs, required consideration of this factor in setting total support, but left loan rates largely to the discretion of the Secretary. As a result of the emphasis of the new Act, 1971 sorghum rates are higher than in 1970, while

Staff members of the state regulatory agency last November recommended an average hike of 23.4 per cent. Industry actually asked 27.7 per cent, and reportedly is disappointed at the end result, since it got only about half of what it wanted.

Board members staunchly defended their findings as adequate, however, and said rates will allow after-tax profit of 5.1 per cent on total assets, or 7.2 per cent before taxes.

Rate of return from policy underwriting reflected in 5.1 per cent profit is only 1.3 per cent after taxes. Profit allocation from interest, dividends and rents is 2.9 per cent after taxes and from realized and unrealized capital gains of 1.9 per cent.

On a sample area basis, policies for average drivers of new, medium-priced cars would increase (all coverages combined) by the following amounts:

Northeastern zone \$25, Southeastern \$23, El Paso \$29, East Texas oil field area \$15, West Texas oil field \$30, Webb County \$19, Coastal \$24, Rio Grande Valley \$20, Galveston County \$26, Potter and Randall Counties \$24, Denton County \$25, Wichita County \$21, Dallas County \$27 and Harris County \$22.

LAWMAKER PAY HIKE PUSHED — A sub-committee of House Speaker Gus Mutscher's blue-ribbon "Committee of 100" termed legislator pay "unrealistically low" and said the \$4,800 limit should be stricken from the State Constitution.

Sub-panel, headed by News-

those for the other grains are lower. The 1971 loan levels for the other grains are as follows: grain sorghum, \$1.73 per hundredweight; barley, 81 cents per bushel; oats 54 cents per bushel; and rye, 89 cents per bushel.

The Agricultural Act of 1970 makes provisions for the shifting of bases from farms which do not plant feed grain to those which do. The law provides that farms which plant less than 45 percent of their feed grain base in 1971 will have their 1972 base reduced for the amount of the under planting, up to 20 percent of the base. If no feed grain or authorized substitute crops are planted for three consecutive years, the entire base is removed from the farm. All base lost by farms will be placed in a national pool for reallocation to other farms.

Acreage which is not planted due to drought, flood, or

other natural disaster or a condition beyond the control of the producer, will be considered planted to feed grain to preserve bases, and any producer who makes a set-aside but elects to receive no payment will not suffer loss of base. In 1971, acreage planted to soybeans will not be considered planted to feed grain, unless it is later determined that this action is needed to prevent a shortage of soybeans. Acreage planted to wheat will be considered planted to feed grain to prevent loss of allotment.

This action will provide broader substitution privileges to participants in the wheat and feed grain programs than in previous years.

A producer with a feed grain base and a wheat allotment can plant his entire feed grain

base and wheat allotment to wheat or to feed grain without loss of history, just as he did in 1970. He will also get both wheat certificates and feed grain payments — which he could not in 1970, unless he planted a fixed percentage of each of these crops. Further, since there is no limit on feed grain or wheat plantings, he can plant more acreage to these grains than the total of his base and his allotment — planting them on land which he previously used for lower return crops. He will be required, however, to make his set-aside under both programs and maintain his conserving base just as he did in 1970.

A farmer with only a feed grain base or only a wheat allotment may still plant all feed grain or all wheat without losing history or payment.

Only corn and sorghum will be included in the set-aside program — barley will not be included. Farmers with a barley base will not be required to set-aside any acreage to be eligible for loans or purchases.

A producer may participate in the feed grain program on any farm or all farms in which he has an interest, as he wishes.

No additional set-aside will be authorized for payment, in view of the probable need for additional feed grains in 1971.

The Agricultural Act of 1970 limits feed grain payments to any person to \$55,000. This limitation will affect a rather small number of feed grain producers. The limitation of payments provision does not apply to loans nor to sales of eligible feed grains to Commodity Credit Corporation. Feed grain bases will be set just as they were in 1970.

Other program details, such as production of alternate crops on diverted acreage, will be announced prior to signup.

## NOTICE

We would like to announce the purchase of

## STYLE CLEANERS

From Mr. and Mrs. Don Hymer effective as of Jan. 1.

We would also like to announce that

Joe Simpson has been named manager and will strive to continue to offer the same fine, quality service that our friends and customers at Style Cleaners have been accustomed to. The name and location will remain the same.

Mr. and Mrs. Charles Absher

## THANK YOU

After 25 years of serving you, our customers, at

## STYLE CLEANERS

We announce the sale of our business to

Mr. and Mrs. Charles Absher

Effective January 1.

We sincerely appreciate your fine patronage during this time.

We recommend the Abshers to you and feel sure you will be pleased with their service.

Thank you,

Mr. and Mrs. Don Hymer

AUSTIN — As expected, Texans will be paying higher auto insurance rates next year. But rates will not be as high as first proposed.

State Board of Insurance has announced an average statewide 13.6 per cent increase for all classes of vehicles and coverages. Actually, that's about a 14 per cent overall increase for private passenger cars.

In establishing the rate, the Board, for the first time in its history, took into consideration insurance company income from investments and all other sources. But it backed off from the "net worth concept" which would have produced still higher rates.

Staff members of the state regulatory agency last November recommended an average hike of 23.4 per cent. Industry actually asked 27.7 per cent, and reportedly is disappointed at the end result, since it got only about half of what it wanted.

Board members staunchly defended their findings as adequate, however, and said rates will allow after-tax profit of 5.1 per cent on total assets, or 7.2 per cent before taxes.

Rate of return from policy underwriting reflected in 5.1 per cent profit is only 1.3 per cent after taxes. Profit allocation from interest, dividends and rents is 2.9 per cent after taxes and from realized and unrealized capital gains of 1.9 per cent.

On a sample area basis, policies for average drivers of new, medium-priced cars would increase (all coverages combined) by the following amounts:

# Highlights of 1970

Continued from Page 1

Robert Bolden signs an athletic scholarship with Sul Ross State University.

July 9 — The Adult Driver Training School conducted by the Texas Department of Public Safety will begin here Monday. The Little League All Stars chosen Thursday evening are working out daily for their first game to be played Monday, July 20, with Stonewall-Kent at Jayton at 7:30 p.m.

July 16 — Wilton H. (Gene) Johnston named as new minister of the Hamlin Church of Christ. Jill Harrison of Abilene has been hired by the Hamlin Board of Education to teach the initial kindergarten class in Hamlin Primary School. Seventy-two persons enrolled Monday evening for the first session of the Adult Driver Training Course.

July 23 — "You're A Good Man, Charlie Brown," will be

presented here Friday evening by some 30 youngsters in the sixth and seventh grades, under the direction of Jan Albritton. The Hamlin FFA Chapter and two individual members of the chapter, Edward Johnson and Charlie Sellers, were recognized and received awards at the state FFA convention last week in San Antonio.

July 30 — Dale Reynolds, a resident of West Texas Boys Ranch at San Angelo, celebrated his thirteenth birthday Saturday while a guest in the home of Mr. and Mrs. Bert Oliver and Reta.

Aug. 6 — Mr. and Mrs. James Eddie Jay Jr. have been named co-chairman for the Cystic Fibrosis Research Foundation in the Hamlin area. Summer Band school held annually by Director Tim Jones will begin Monday for one week.

Aug. 13 — Gary Don Maberry has been selected to

participate in the all-star football classic, Greenbelt Bowl, in Childress Saturday. Peggy Jones will be competing for 1970 Queen of the Greenbelt Bowl.

Aug. 20 — Classes for all Hamlin students will begin Monday at 8:30 a.m. The J. M. McDonald Company will close at the end of the business day Saturday after 20 years of service to the area.

Mr. and Mrs. Jess Young are announcing the sale of their dry cleaning establishment to Mr. and Mrs. Ewell Mackey.

Aug. 27 — Continental Oil Company is expected in the next few days to let a bid on the construction of a new gas plant to replace the present one being operated by the company west of Hamlin.

Classroom instruction began here Monday in all Hamlin Schools with a total enrollment of 888 students, 36 more than the enrollment at this time last year.

Sept. 3 — A little over 100 people attend the first Industrial Development meeting to be sponsored by the Hamlin Board of Community Development here Thursday evening. The Hamlin Civil Defense has obtained an Air Force surplus Metro panel truck to be equipped as a rescue truck to handle any type of emergency.

Sept. 10 — A temporary chairman, a secretary and a board of directors were elected at the Thursday night meeting of interested parents who wish to provide a youth center for Hamlin. The Hamlin Pied Pipers will open their 1970 football season Friday evening when they journey to Winters to meet the Blitzards.

Sept. 17 — Rev. Howard J. Jones has accepted the pastorate of the First Baptist Church here, effective Oct. 1. VFW Post 6014 of Hamlin is circulating petitions here for release of POW's.

Sept. 24 — The Hamlin Board of Trustees of the Hamlin Independent School District passed several policies in regard to disruption of classes and truancy in their regular meeting last week. Ricky Rodgers, Hamlin FFA member, was one of the top swine exhibitors last week at the West Texas Fair.

Oct. 1 — A completely new catalog system will be initiated at Harden Memorial Library next week.

Oct. 8 — Ninety-seven members of the 101-piece "Marching Green" will leave Hamlin High School early Monday morning for Dallas and the State Fair of Texas. The Hamlin Volunteer Fire Department will host the 64th semi-annual meeting of the Mid-West Texas Firemen and Fire Marshalls Association here Saturday. Two law enforcement vehicles were involved in a collision Sunday evening while in pursuit of a law violator.

Oct. 15 — District 7-AA conference play gets underway this week as the Pied Pipers travel to Haskell. Longtime resident, Elma Brewer, dies in Abilene hospital Saturday.

Oct. 22 — The Hamlin Chapter of Future Farmers of America received a National Chapter Award with

Dec. 31 — Track Coach

a silver emblem during the national convention in Kansas City, Mo., Oct. 12-16. Abducted Amarillo Woman freed by Patrolman Homer Dill here. Longtime resident and druggist, Frank Waggoner, dies, Thursday.

Oct. 29 — Football captains elected this week for the Pied Pipers are Charles Sellers, Greg Perrin and Edward Johnson. A bonfire tonight will open activities of the annual Homecoming being staged here by the Hamlin Ex-student Association.

The Hamlin Parent-Teacher Association will meet Thursday (today) at 4 p.m. in the primary cafeteria.

Bill Lasseter, an active participant in the youth work at First Baptist Church, will speak on "Message for Young People."

The prayer will be given by Rev. Frank Coddington, pastor of Neinda Baptist Church.

Entertainment will be presented by a group of Junior High School girls. They will sing several popular songs.

Each year an honorary State Life Membership is presented to a person in recognition of their contributions to the welfare of children and youth. These memberships have special significance as enduring symbols of outstanding service.

Names of three nominees will be given to the members to be voted on at the meeting.

A pin and the Membership Award will be presented to the one selected at the February meeting.

Mrs. Billy Carter will give the thought for the month.

All interested parents are invited and urged to attend and support the PTA.

Nov. 19 — The Hamlin Independent School District announced this week that it is starting a free and reduced price lunch program. The Hamlin Ministerial Alliance will sponsor the annual Thanksgiving service Sunday evening.

Nov. 26 — Jeanie Ferguson and Rodney Rackley attended the Texas Teen Action Program in Austin Saturday.

Dec. 3 — Santa Claus will arrive here at 4 p.m. Friday to officially open the Christmas season. The Pipers and The Pipettes will host their annual Basketball Tournament here this weekend.

Johnny Jones was selected as Football Hero and Patricia Lee, was chosen as sweetheart at the junior high school Football Banquet.

Dec. 10 — Pipers Barry McDonald and Daily Ponder were chosen on the 7-AA All District Team. A county-wide meeting to discuss the increasing problem of salt water pollution will be held Tuesday evening, Dec. 15 in Hamlin High School cafeteria.

Dec. 17 — Felony charges of conspiracy to commit burglary and resisting arrest by firearms have been filed against a Coleman man and wife and another Coleman man. The Eighth and Ninth grade boys and girls Tournament scheduled here this week was cancelled Monday.

Dec. 24 — Fodie Sonnenburg was presented as Band Sweetheart at the annual Christmas Concert Thursday evening. Four Ray brothers from the Masonic Home and School in Fort Worth are spending this week with Mr. and Mrs. James Stewart and family, under the sponsorship of the Hamlin Masonic Lodge No. 958.
